

YOVOY:

**Retail and ecommerce
delivery. Fast. Flexible.
On your Schedule.**

**Keep your stores
stocked and your
customers happy.
Especially when it
matters most.**

When stock is flying off shelves, YOVOY keeps you moving

Holiday season rush? New product launch? Last-minute restock?
The retail and ecommerce industry waits for no one. Thankfully, an
overflow courier platform is at your fingertips.

Move what matters, when it matters.

Whether you're restocking bestsellers, shifting promo stock or moving goods between stores, YOVOY gives you instant access to professional, on-demand couriers.

- Same-day store-to-store transfers
- Time-critical ecommerce deliveries
- Stock moves from DC to retail
- Returns, overflow, last-minute pickups
- Large-item B2C deliveries with a customer-first approach
- Secure return-to-sender for high-value or sensitive items

From stores to customers to central hubs, we deliver without delay.

Vehicles and drivers ready for retail

Tail-lift vans, two-person teams, multi-drop routing, we match your job with the right setup every time.

Our nationwide courier network is retail-ready, fully vetted and built for spikes in delivery demand.

Visit our retail and ecommerce **web page** for more information.
